St. Augustine Preparatory Academy

“I noticed that the other schools using Campus stood out. They are high achieving and successful, so I knew it was a company we’d want to partner with. **Infinite Campus is the superior product and does everything we need it to and more.** Infinite Campus blew us away. We appreciate that it’s a product we can grow into. We’ll have the option to put ourselves in new places if that’s what we want to do.”

Nathan Carlberg, Elementary Principal

Nova Classical Academy

“Switching from our previous SIS to Infinite Campus has made life much easier on the administrative side! Reporting is easy and helpful for what we need. Infinite Campus has enabled our district to become much more efficient - in just a few clicks we can pull a D/F list, identify students with attendance issues, and fully document behavior. This really helps us serve students better.”

“We selected Infinite Campus for the product’s ease-of-use. **The Campus team was helpful and knowledgeable** about school systems, which will make our jobs easier during implementation. We felt they would best fit our needs. The portal and app will greatly increase parental involvement in their children’s education, which will also strengthen the parent-teacher-student triad.”

E.L. Haynes Public Charter School

“I would recommend Infinite Campus to other charters because they offer well-designed tools that meet our needs. **Infinite Campus has enabled us to improve the quality of our data and be more efficient in how we operate.** Switching from our previous SIS vendor to Infinite Campus has been very smooth. We experienced no major issues and our staff was able to acquire basic knowledge of the tools with a limited amount of training time. Our interest and appeal in using Infinite Campus is how all the various features are well integrated such as Messenger, FRAM application, Meals, OLR...”
